"I can't say enough about how great everything was, and how much care was given to assure that we had a good time.... Jeffery was just perfect and worked closely with us to pace the meal to match the event. Everyone in attendance had a great time, and most were new to Neapolis and couldn't wait to come back. Thank you for all you did to set this up. I will definitely do something like this again."

"Heather, I really appreciate all of the time and effort you've put into my event...you have been very flexible and professional and I truly appreciate it. The wine room was the perfect setting for our event. Everything from the lighting to the music to the décor was just perfect. Heather and the staff were very professional and flexible in the planning and execution of my event. Erica, our server, was lovely. She was accommodating, patient, flexible and very kind to my guests and me. She gets an A+! I very much appreciated not being charged a room rental fee and the overall pricing for the event was reasonable."

-Molly Gillis

"Having lived in Italy for three years... as well as sampled cuisine from some of the finest Italian restaurants throughout the United States, the Trattoria Neapolis is a stunning find. Great food, imaginatively prepared and beautifully presented, with both traditional flavors and creative fusion touches, and an excellent selection of carefully considered wines and spirits. I have been back for dinner a half dozen times and business lunches much more. Every guest has been happy with their experience, marveled at the authentic pizza oven, bar and decor, and raved about the food. Thirty five years in Pasadena and having tried every quality effort put forth.....this is a must do if you like Italian food the way it really should be done, with excellent and very friendly service."

Trattoria Neapolis was the perfect place to host my mother's surprise retirement party. The restaurant has a beautiful, intimate wine room equipped with a large flat screen T.V. They also had delicious options for their menu with good portions & variety. The staff was very helpful and friendly. They even helped us with the right connections to hook up our iPad & video program to play a tribute video for my mother, which she absolutely loved! I would definitely recommend Trattoria Neapolis for an intimate dinner party, or even not so intimate dinner party.
